YOUNG ADULT SUNDAY MORNING BIBLE STUDY OUTREACH

Over the past few years, CBC's Young Adult Sunday Morning Bible Study Class, led by Ricky Bennett, has had the privilege of partnering with College Park Middle School to share the love of Christ with its dedicated faculty and staff. This outreach has been a meaningful way to express gratitude for the incredible work they do each day to support their students and serve the community.

This year, the SMBS class continued their teacher appreciation tradition by providing a dessert spread for the teachers and staff at College Park Middle. The table was filled with sweet treats and snacks as a small token of our appreciation for their commitment and care.

The administration and staff of College Park Middle were deeply touched and thankful for this outpouring of love and encouragement. It was a joy to bless them and remind them how valued they are!
