Help us spread a little Christmas cheer this summer! During the month of July, we will collect items for our CSU Move-In event in August. This outreach provides an opportunity to welcome students and support them as they begin a new school year.

There are two easy ways to participate:

- Choose an ornament from our Christmas in July tree and purchase the item listed. Once you've picked up your item, simply place it back under the tree anytime in July.
- Shop from our Amazon Wish List using the link below. Items may be shipped directly to us or brought to church and placed under the tree throughout July.

Every gift, big or small, helps us create a warm and encouraging welcome for students as they begin a new school year. Thank you for helping us make a difference in the lives of CSU students! For additional details/questions, contact Victoria Holladay at victoria.m.holladay@gmail.com.
