The condition of your family is not about activity but your identity in Christ.

Divinely _____.

Since marriage is divinely designed, marriage only works when we surrender to the Divine Designer.

- We must, like Jesus, return to first principles.
- Marriage is not a human invention-God designed it.

Lovingly _____.

- Order is a key word in our study of the Christian family.
- Order has specific boundaries.
- The order has a specific demeanor: What does it mean to submit?

"The disposition to yield to a husband's guidance and an inclination to follow his leadership." -John Piper

Purposeful Impact:

- On your husband...
- In your family...
- To the world...

Key Takeaways:

- God's order is loving and intentional.
- How can I honor Jesus in the way I treat my spouse and others today?
- Do everything in Jesus' name and for His honor.
- Christlike character-not personal preference-should shape our marriages and families.
